

Waimea Trails and Greenways MEETING NOTES

January 12, 2009

PRESENT: Clem Lam, Lynn Taylor, Leningrad Elarionoff, Avi Okin,
Peggi Kamisato

1. STIP version 5 is still accepting comments on projects. Leningrad requested that we send the letter request to everyone we know to get Waimea Trails and Greenways back on the STIP.
2. Billy Kenoi - Leningrad talked with his secretary and with Warren Lee's secretary and will try to get us an appointment to see them, preferably here on the trail. Steve Bess has also talked to Mayor Kenoi about having a meeting with us.
3. Signs - approved getting bids and installing 5 of them - one at Lanakila Park, One at Carter Center, 2 at the Nature Park, one at Opelo Road. Clem will get bids.
4. Schedule review - this week Preliminary Construction sheets should be done, Final CLOMR Plans should start. Hydraulics should be completed. Geotechnical report should be in progress. Structure configuration should be underway. Jurisdiction review of SCAP Part A should be in progress. CLOMR draft Application should be in the works - HOW ARE WE DOING ON THIS SCHEDULE?
5. Kris Kopra and his group of 6 young men (and Leningrad) cleared the Waikoloa Stream of the fallen trees - Mahalo to Kris.
